

“Friday Night Concert” Keychain

As seen in the 2008 Summer Supplement

Created by: Josie Arndt

Suggested Materials:

<u>Qty.</u>	<u>Stock</u>	<u>Name</u>
1	#27-082	Skull resin bead, white
1	#49-924-04	“Ur” rune charm, antiqued silver
1	#30-012	1.3" split key ring, white
4”	#40-881	2mm ball chain, white
1	#40-801	2mm ball-chain clasp, white

Tools: cutters

To make this design:

1. String the bead, charm and split ring onto the ball chain.
2. Attach ball-chain clasp.

TIP: Ball chain is a fun and versatile stringing material for charms & large-hole beads. Try using it to make a “slider” necklace with a single focal bead!
