These unique balls of wire look great strung, but might require some creative techniques since there are many openings but no actual "holes." You might need to use spacer or seed beads to keep your wrapped wire beads where you want them.

#24-120-02 40mm Wrapped Wire Stars
Approx. 40x40x6mm. 20 ga. star wrapped with 22 ga. wire.
Please specify color: -3 Silver Plate or -4 Gold Plate.
