To make this design:

1. Cut one piece of leather, approximately 4" long.
2. String the lanyard hook and the crocodile bead onto the leather.
3. Fold the leather in half so that both ends are in the center of the project.
4. Using chain-nose pliers, hold one end of the green wire to the leather where the leather ends meet.
5. Carefully wrap the wire into a tight coil around the leather and snip both ends.
