Tools: flat-nose pliers, chain-nose pliers, side cutters

To make this design:

1. Attach the pendant cap and prong bail to the heart.
2. Remove the clasp from the chain, and reserve for another project.
3. Adjust chain length to suit personal taste.
4. Attach toggle clasp to chain re-using the jump rings that came on the chain.
5. Use round jump rings to attach the bailed heart to the toggle loop.

Jump-ring hint:

When you open and close jump rings, twist sideways instead of “ovalling” them. This keeps their shape better, which makes them easier to close all the way.

Twist ends away from each other

Don't pull apart sideways
