

“Entomologist’s Picnic” Earrings

As seen in the Rings & Things Wholesale Catalog 2009-10

Created by: Toni Plastino

Suggested Materials:

<u>Qty.</u>	<u>Stock #</u>	<u>Name</u>
2	30-497	1" flask-shaped glass vials with cork and brass-wire loop
2	34-323-4	French hook ear wires, gold plate
8		Plastic ants (available at local craft stores)

Tools: flat-nose pliers, adhesive such as Bead Fix™ (#60-242)

To make this design:

1. Add plastic ants (or other creatures of your choice) to the jars.
2. Seal the cork lid with adhesive such as Bead Fix.
3. Once the adhesive dries, attach the earwires to the loops on the corks.
