## To make this design:

1. Cut curb chain into 6 pieces: two 1" pieces (6 links), and four ¾" pieces (5 links).
2. Cut other chain:
  - two 3" pieces figaro chain
  - two 1½" pieces flattened long-and-short chain
  - two 1" pieces drawn cable
3. Loop a 1" piece of curb chain around each 20mm crystal ring and close with a round jump ring.
4. Loop a ¾" piece of curb chain around each 14mm crystal ring and close with a round jump ring.
5. Attach jump rings to remaining chain lengths, as pictured.
6. Use a jump ring to attach 3 chain dangles to each ear wire.

## Jump-ring hint:

When you open and close jump rings, twist sideways instead of "ovalling" them. This keeps their shape better, which makes them easier to close all the way.

Twist ends away  
from each other

Don't pull apart  
sideways
