| 1 pr | 34-323-3 | French hook ear wires, silver plate |

Tools: cutters, round-nose pliers, chain-nose pliers

TIPS:

- The drop setting is a unique finding that holds pointed-back CRYSTALLIZED™ rivoli stones securely in place without glue. Simply slide the stone in place and press the back of the setting down with your fingers.
- The swivel clip hooks into any link on the chain, so adjusting the necklace length is easy.
