10	21-906-074	6x4mm faceted gemstone rondelles, multicolor rutilated quartz,

1 ozt.	64-341	21-gauge half-hard square wire, sterling silver

Tools and supplies: flush cutters, round-nose pliers, chain-nose pliers

TIPS:

- Create eye pins for the rondelles using ten 1" pieces of 21-gauge square wire.
- Since the gemstone slab pieces are not uniform in length, create the 14-gauge eye pins one at a time.
- Use the 14-gauge dead soft wire to create a 3-way connector link and clasp. Find helpful wire-working instructions in *Get Started With Wire Jewelry* (#62-559).
