1	27-398-08	13x11mm patterned "blue-mystique" Mirage Bead™, multicolor
1 pkg	55-000-08	Idea-ology™ foliage, antiqued metals (use 3 pieces)
1	43-110-6	Small filigree bead cap, antiqued brass plate
1	43-110-7	Small filigree bead cap, antiqued copper plate
7	37-145-7	6mm round jump rings, antiqued copper plate
1	39-850-01	Round toggle clasps with Bali-style dots, antiqued copper
1	49-450-1	13mm disks with bail, white

Tools: cutters, chain-nose pliers, Bead Fix™ adhesive (#60-242), fine point Sharpie® permanent marker (#83-101)

TIPS:

- Use a permanent marker to antique the bail on the 13mm disk.
- Glue the bead caps (one on top of the other), Mirage Bead™, and foliage pieces to the 13mm disk.
- Use 2 jump rings to connect to each side of the toggle, and use 2 jump rings to attach each half of the toggle clasp to the pieces of chain roughly 3" from the end of each chain.
