5	#26-813-106	12mm collared puffed coin beads with grooved pattern, antiqued copper
5	#26-813-125	12mm collared puffed coin beads with concentric circles pattern, antiqued copper
1	#39-426-8	11mm super strong Mag-Lok® magnetic clasp, copper plate
17	#37-167-7	8mm round jump rings, antiqued copper plate
15	#37-722-7	2" standard eye pins, antiqued copper plate

Tools and supplies:

Eurotool® superior beader's tool kit (#69-035)
(use round-nose pliers, chain-nose pliers and nippers)

TIPS:

- Assemble puffed coins in a random manner using wrapped loops and jump rings.
- Do NOT antique the clasp, as patina solution may remove plating. The designer found out the hard way.
