

“Crystal Wreath” Earrings

As seen in the Rings & Things Wholesale Catalog 2011-12

Created by: Rita Hutchinson

Suggested Materials:

<u>Qty.</u>	<u>Stock</u>	<u>Name</u>
12	#05-000-04-20	4mm faceted round SWAROVSKI ELEMENTS crystal beads, siam
30	#06-301-06-193	6mm SWAROVSKI ELEMENTS crystal bicone drop pendants, fern green
12"	#46-454-21	24g Artistic Wire®, non-tarnish silver plate (cut two 6" pieces)
2	#34-323-3	French hook ear wires, silver plate

Tools and supplies:

round-nose pliers (#69-269-02)
flat-nose pliers (#65-080)
cutters (69-056)

TIPS:

- Center the crystals on the wire, as pictured, so there are equal amounts of bare wire on both ends.
- 24- gauge craft wire is very soft. Double wrapping the wire at the loop will increase the strength of this design.

See the following technique sheet:
