

“Home Tweet Home” Pin

As seen in the 2010 Super Supplement

Created by: Amy Mickelson

Suggested Materials:

<u>Qty.</u>	<u>Stock #</u>	<u>Name</u>
1	29-797-08	38mm wooden donut with laser cut sunflowers design, maple
1	28-333-96	Lampwork glass bird house bead, red/cream
1	44-694-0	17x15mm hummingbird charm, raw brass
3	23-629-000	9mm Czech glass leaf beads, assorted
3	37-415-2	1.5" thin head pins, yellow
1	37-424-2	4" standard head pin, yellow
2	37-133-2	4.5mm round jump rings, yellow
1	41-288-4	Screw eye, gold plate
1	38-302	0.75" bar pin, nickel-silver

Tools: cutters, round-nose pliers, chain-nose pliers, awl (#65-800), adhesive such as Super New Glue (#60-270)

TIPS:

- Use an awl or other pointed sharp object to pierce a hole in the wood donut for the screw eye.
- Attach the bar pin to the back of the wood donut with adhesive.
