2-3 str	21-886-049	6mm round gemstone beads, poppy jasper

1-2 pkg	61-512-02	Griffin® Size 2 silk bead cord with needle end, black

TIPS:

- This is a great design for those allergic to metals!
- The cord comes with an attached needle, so simply string, knot, and trim excess.
- The double-drilled beads and round gemstones combine in an easy-to-make metal-free bail. Begin and end this necklace at the top black bead: Tie your knots tightly against it. The larger hole on this bead, and the black cord, should allow you to hide your knots slightly inside the hole. For extra security, you can tie knots at both the top and bottom of the black bead.
