

“Renewal” Earrings

As seen in the 2010 Super Supplement

Created by: Valorie Nygaard-Pouzar

Inspired by the Soft Flex Company's “Renewal Earrings” project

Suggested Materials:

<u>Qty.</u>	<u>Stock #</u>	<u>Name</u>
1pkg	61-771-49-104	Soft Flex® Trios, 0.019" 49-strand Wire, renewal set
2	26-815-001	Puffed-square metal beads with collar, silver plated
2	28-333-58-01	20mm lampwork glass puffed-coin beads, assorted patterns, beige/black
10	23-497-362	7mm Czech glass firepolish beads, faceted rotund rondelle, erinite
2	41-256-04-3	Size 4 crimp tubes, silver plate
6	41-256-01-3	Size 1 crimp tubes, silver plated
2	37-722-3	2" standard eye pins, 2", silver plated
2	34-323-3	French hook ear wires, silver plated

Tools and supplies: cutters, chain-nose pliers, round-nose pliers

TIPS:

- Cut one piece of each color of Trios “Renewal”: one 4" piece of peridot, one 3½" piece of chrysoprase, one 3" piece of emerald.
- Secure all the pieces of beading cable with a size 4 (2.5x3mm) crimp tube and flatten with chain-nose pliers.
