

"Shell Bell" Purse Clip

As seen in the 2009 Spring Supplement

Created by: Evette Rana

Suggested Materials:

<u>Qty.</u>	<u>Stock #</u>	<u>Name</u>
1	26-390-02	44x32x24mm shell-shaped jingle bell, brass
2	29-913-10	10mm large-hole bamboo cube beads, assorted print designs
1	29-563-24	24mm sono wood ring bead, dark brown
4	26-113-0	8mm round large-hole beads, brass
1	30-310-4	32x17mm auto-close clip, gold plate
30"	61-501-03	1mm leather cord, dark brown

Tools: scissors

To make this design:

1. Cut a 30" pieces of 1mm cord and fold it in half.
2. Slide on the bell and center it on the folded piece.
3. Tie an overhand knot to secure the bell.
4. Add the large-hole beads in the pattern shown.
5. Slide the cords through the center hole of the sono wood ring bead.
6. Loop the cords around the outside of the wood ring and back up through the through the center hole, twice, forming a figure-8.
7. Add the rest of the beads and tie a loose overhand knot.
8. Slide the pieces of cord through the loop of the auto-close clip.
9. Tie another overhand knot.
10. Slide the cord pieces back through the first overhand knot and back into the last brass bead.
11. Trim the excess cord.

How to make an overhand knot:

1. Make a loop with the cording.
2. Pass the cord that's behind the loop over the front cord and through the loop.
3. Pull to tighten.
