## TIPS:

- Fill the perfume bottle charm with essential oils for aromatherapy on the go! To fill perfume bottle, drop essential oils into vessel using a small paper funnel.
- The cuff bracelet has a threaded ball on one end, which can be unscrewed, so the charms can be removed or interchanged with others!
- Each SmartBead has a Bead Positioning System™ (BPS), a gripping rubber gasket inside that allows the bead to be positioned and repositioned.
- As they will be opened and closed, attach the perfume bottle charms using split rings.
