

“What Happens in Vegas” Disk-and-Loop Earrings

As seen in the 2010 Super Supplement

Created by: Amy Mickelson

Suggested Materials:

<u>Qty.</u>	<u>Stock #</u>	<u>Name</u>
1	40-387-9	7" disk-and-loop bracelet form, gunmetal (2 sections each with 2 loops & 1 disk)
6	28-333-87	Lampwork glass playing card beads, assorted
2	28-000-001-000	10mm faceted puffed coin sparkly glass beads, assorted
12	26-233-9	3.4x1mm heishi-style metal disks, gunmetal
6	20-228-45	Size 11 Toho® Japanese glass seed beads, red
6	20-228-49	Size 11 Toho Japanese glass seed beads, black
6	37-415-9	1.5" thin head pins, gunmetal
6	37-136-9	5mm round jump rings, gunmetal
1 pr	34-223-9	Two-tone French hook ear wires, surgical stainless steel/gunmetal

Tools: cutters, round-nose pliers, chain-nose pliers, epoxy 330), file

TIPS:

- Use the disk-and loop bracelets for other creations besides bracelets! To disassemble, just use chain-nose pliers to open the prongs on the back of the disk.
- Roughen the surface of the glass and disk with a metal file before gluing.
